<p>2. Project Name Hetts Lane Holiday club</p> <p>Project Description</p> <p>Hetts Lane Holiday Club provides sessions throughout the school holidays for children in Warsop Parish aged 0-11 years. These sessions are provided free of charge and parents and carers stay with their children, enabling them to interact and play in a safe environment. They are regularly attended by 40-50 children.</p> <p>The holiday club is run by parent volunteers, all of whom are DBS checked and have relevant training certificates. At each session, the children are provided with snacks, drinks and can use both the indoor and outdoor play facilities.</p> <p>In order to provide the club free of charge, we rely on fundraising events such as Warsop Carnival and the Community Christmas Market, however due to the Pandemic we have been unable to attend such events or complete any inhouse fundraising.</p> <p>We were hoping to restart the sessions on 5th August 2021 to provide much needed social interaction and support to families in Warsop Parish.</p>	<p>New Applications Please Tell us</p> <p>a) What are you going to do? b) How will you do it? c) How many people will be involved etc.? d) How will it be managed? e) How are you going to monitor its progress?</p> <p>Repeat Applications</p> <p>If this is a repeat application please tell us if anything is different this time? What have you learned from your last project and how will you do things differently?</p>

3. Which of our five themes does your project support? (please circle or highlight, as appropriate)

Strengthening Communities	Empowering People	Supporting People	Improving the Environment	Having things to do?

4. Expected outcomes of the activity.

What difference will the activity make to local people and the Parish of Warsop?

We feel that these sessions are vital for families in The Parish. There are very few free activities in the area, and we are conscious that the area has a high unemployment rate and a number of single parent families.

Our sessions provide a variety of support to parents and carers, a chance for the children to meet socially and safely, and also help with learning and education.

With so much social and learning time lost due to Covid 19 the club is so important to the children and families in the Parish.

5. Project Location

Where project is to be located? (although the project does not need to be located within Warsop Parish, your plan must clearly show how local people will be involved in and benefit from the activity)

The sessions are currently based at The Shed in Warsop.

6. What consents are required and when given? e.g. Planning Permission

None

7. What links are there to existing activities?

- a) Are other organisations involved in the project?
- b) Does it help or complement other projects operating in the area?

From time to time, we ask local providers to join our sessions. The children have in the past enjoyed Zumba sessions ran by a local instructor and this year we have been approached by The Warsop Old Hall project to help with a Tudor dancing demonstration at The Live Museum Event.

8. Monitoring & Evaluation.

If your proposal is successful then you will be required to complete a review and evaluation pro-forma (example available on our website). Please let us know if you intend to undertake any other monitoring in addition to this.

We intend to carry on the sessions for many years to come. With lockdown restrictions now easing we will be able to carry out fundraising, just as we had done for the past 12 years. We will also continue applying to funders in the hope that we can be supported in that way too.
