

Project		Adult Learner's Week Activities	
Lead delivery partner		Lesley Watkins (Care Trainers/ Jigsaw/Dukeries College)	
Theme	Strengthening Communities	Priority	Training & Education
Activity	Defib training x 3. Dementia Friends Training x 2. ALW celebration event	Budget code	94/2/7.1 (£1'360.00)
Project outcomes (from SLA) <ul style="list-style-type: none"> Improved knowledge & skills, sense of achievement among residents Improved life opportunities through recreation, training and employment 			
Reporting period dates	16/6/15-19/16/15	Number of people benefiting from the project during the reporting period	66
Introduction A range of one off learning activities were held during Adult Learner's week, giving people the opportunity to have a go at a short piece of learning and find out about future learning opportunities in their community.			
Activities undertaken during reporting period 3 x Defibrillation & Resuscitation training sessions – 28 attendees in total 2 x Dementia Friends training sessions – 24 attendees in total 1 x ALW Celebration event – 14 attendees We also planned first aid, and motivational 'Steps to Success' courses but these we cancelled due to a lack of demand.			
Outcomes the project has contributed to Local residents are have better skills regarding resuscitation, use of a defibrillator and spotting dementia and offering support. These are not only skills that are valuable and could be put to good use in the community, but would also enhance an individual's CV. Through the celebration event at the Children's Centre, those not yet engaged in adult learning were able to see the achievement of others and gain an understanding of the different types of training available, and the support on offer such as childcare and help with course fees.			
Timescales The project ran to time.			
Plans for next reporting period <i>Requests were made for more defib training – this is being looked into. Vision WNC are running an 'Understanding Special Needs Course' at the Children's Centre. BW can support with childcare costs if required. Plans to run a door supervisors course are being explored further.</i>
