<p>4. Project Description:</p> <p>a) What will it involve? b) How will you do it? c) How will it be managed? d) How will its progress be monitored? e) How many people will be involved etc...</p>	<p>This proposal involves delivering 16 activity sessions over thirteen separate days in August for young people aged 11 to 17 in Warsop. This equates to at least 51 hours of structured activities.</p> <p>This will be delivered by a project consortium including Go Extreme, Warsop Youth Club, Enthusiasm, Right Hook and Caroline Hughes. The project will be managed by Jimi Ball of Warsop Youth Club and he will liaise with a lead representative from each agency.</p> <p>Progress will be measured by monitoring attendance figures (age, gender, ethnicity etc) and brief evaluations on each session to show what went well and what could have been improved.</p> <p>We expect to reach out to around 40 individual young people and deliver 200 positive engagements through these activities. These are estimates based on the success of the weekly youth club and it is possible that we will achieve more than this as word spreads and the promotional leaflet is distributed.</p>
<p>5. Expected outcomes of the activity. What difference will the activity make to local people and the Parish of Warsop?</p>	<p>This programme will contribute to meeting the outcomes in section 3.6.1 of the Big Warsop Plan, namely:</p> <p>Children and young people have things to do outside of school hours and in holidays Antisocial behaviour is reduced Links to local schools, police and children and young people groups are strengthened.</p>
<p>6. Project Location Where project is to be located? (although the project does not need to be located within Warsop Parish, your plan must clearly show how local people will be involved in and benefit from the activity)</p>	<p>Most activities will take place at the community hub *The Shed". Some activities such as BMX biking and Mountain Bike Ride will take place outdoors at Carr Lane Park.</p> <p>All activities will take place within the Big Warsop area and benefit Big Warsop residents.</p>
<p>7. What consents are required and when given? e.g. Planning Permission</p>	<p>Any parental consent for young people to participate will be taken in advance of activities, though most events are drop-in style in which case no consent is necessary.</p>
<p>8. Project Timescale</p>	<p>The programme will be delivered during August 2016</p>

<p>9. What links are there to existing activities?</p> <p>a) Are other organisations involved in the project?</p> <p>b) Does it help or complement other projects operating in the area?</p>	<p>This programme brings together several youth projects working in the Big Warsop area to deliver a co-ordinated timetable of summer activities.</p> <p>Other organisations include: Warsop Youth Club – Positive activities for Young People Go Extreme – BMX Biking, Karts, outdoor activities for Young People Enthusiasm – Youth Organisation currently delivering youth club on Thursday evenings Caroline Hughes – Arts & Crafts for young people Right Hook – Physical Theatre</p> <p>In addition, the lottery funded Sports Development workers from Meden Leisure Centre will deliver some outreach sessions at The Shed.</p> <p>Also, Army and Air Cadets have expressed a willingness to support the programme and promote their groups to the young people.</p>
